Educational Partners who do not find it possible to support WAMOA at the Platinum or Gold level but may want to help our organization with added support can do so by donating a small amount to help defray the cost of the various conference activities, events, and programs. Contributions may be made in any amount. In return for your special contribution, the name of your company will be prominently displayed at conference activities and events. In addition, your company will be listed in the WAMOA Magazine.
