

WAMOA Attendee Grant Program

Program Information and Grant Application

When funding is not available through school districts or other means, the Grant Program is designed to assist WAMOA members, and potential members, in achieving greater professional expertise for school district employees through attendance at WAMOA-sanctioned events or training.

The Programs Committee is responsible for review of applications, distribution, and award of budgeted grant funds in accordance with program guidelines and in a manner their collective judgment deems most supportive of the applicant, the organization and its stated mission. The committee may elect to award as many or as few grants as they determine to be appropriate based on review of current applications and/or funding availability.

There are two types of eligibility:

- 1) Be an active WAMOA member in good standing.
- 2) Be a non-member with an interest in the organization and possessing the potential to obtain membership.

Applications may be submitted by WAMOA members and non-members or by a school district superintendent (or designee) on behalf of a current WAMOA member.

Previous recipients who are WAMOA members are eligible to apply. First-time applicants receive priority consideration. Non-members who have previously received grant funding are not eligible to submit additional application(s) for funding support. Members of the programs committee are not eligible.

Applicants will be evaluated by the following criteria: The number of applications received, past funding received, available monies, timeliness, and membership status. Active participation in WAMOA will also be a consideration. Regional and Annual meeting attendance and involvement may be considered. Additional consideration will be given to applicants from districts who have experienced multiple levy failures or budget shortfalls.

Individuals wishing to apply for a grant should submit the application form and any supporting documentation to the Program Chair by February 1st for Leadership and by August 15th for the Annual

Conference. Applicants will be notified immediately upon review of their application materials and the committee's decision.

If you wish to apply for a grant to attend a WAMOA sanctioned event, please fill out the application form and email it to Jeffrey.hosler@rsd.org and office@wamo.org. If you have questions, please contact Jeff Hosler, WAMOA program chair, by phone 509-392-3390 or email Jeffrey.hosler@rsd.edu
