WAMOA Regions 2 and 8 are excited to announce our 2023 Regional Training Seminar. We would like to invite your company to attend. The format will mirror the October state conference with educational opportunities for school district classified staff, a keynote speaker and a trade show (30" x 60" table space) where you could display equipment, products and services. We will be holding drawings at the end of the trade show for door prizes for those who wish to participate.

WAMOA membership is required to register.

The cost for this one day event is only \$100 and includes 2 attendees.
